

CHIRAG SHARMA

FULL STACK DEVELOPER

Mohali, Punjab | chirag2001sharma@gmail.com | 9306363223 | [Linkedin](#) | [Github](#) | [My Portfolio](#)

SUMMARY

Full Stack Developer with **2+ years of experience** building **scalable, high-performance** web and eCommerce solutions. Skilled in **frontend and backend development**, custom Magento 2 development, **API integrations**, WordPress, Shopify, and performance optimization. Experienced in creating **secure, SEO-friendly**, and user-focused applications that **improve business growth and customer experience**.

WORK EXPERIENCE

Software Developer

May 2024 – Present

Sookshum Labs, Mohali, India

- Maintained multiple Magento 2 stores by **providing ongoing Bug Fixes, System Support, and seamless Third-Party API Integrations**.
- Developed **10+ custom Magento 2 modules** like **Apply Coupon Code via URLs, Dynamic product badges** and integrating advanced features like **AI-driven search (Hugging Face API)** and **Secure OTP invoice downloads via Twilio**.
- Upgraded **4+ client projects** to the **latest Magento 2 versions**, successfully **resolving 80% of security and compatibility issues**.
- Conducted **performance audits** and optimized page structure, **achieving an 85-90% SEO score and "green" Core Web Vitals (LCP, CLS, FID)** for a better user experience.
- Developed and delivered **Fully Responsive Shopify & WordPress websites** by converting Framer and UI8 designs into **optimized, SEO-friendly pages and improved page load speed by 70-80%**.
- Decreased manual overhead by **40-60%** by **engineering PHP scripts** and Magento cron jobs to **automate server maintenance, log backups, and scheduled custom SQL data extraction to Excel**.
